Product Description

SnowEx Helixx 3.5 Cu. Yd. Poly Hopper Spreader

Forget everything you thought you knew about poly spreaders. Available in capacities from 1.5 to 5.0 cu yd, the HELIXX Poly Hopper Spreaders are a from-the-ground-up design based on extensive testing and three decades of SnowEx® hopper spreader innovation. The exclusive material delivery system vastly outperforms traditional augers, delivering unmatched material flow.

- Capacity: 1.5, 2.25, 3.5 & 5.0 cu yd
 - Materials: Salt & Liquid Brine*
 - Delivery System: Auger
-
