Product Description

Qwikchute NQD-GZTXL52

The Qwikchute was designed and built to achieve three goals: **Greater Choices, Increased Profits, and Improved Safety.**

Mechanically operated with no electrical wiring or motors, constructed of heavy gauge steel with a durable powder coat paint finish, and a replaceable high impact plastic door plate. This design ensures that the Qwikchute will perform for many mowing seasons.

Compatible with: Ariens Ikon 2022 and older 52" & 60" deck, and Gravely ZTX & ZTXL 52" & 60" decks 2022 and older
