Product Description

Qwikchute NQD-G5260

The Qwikchute was designed and built to achieve three goals: **Greater Choices, Increased Profits, and Improved Safety.**

Mechanically operated with no electrical wiring or motors, constructed of heavy gauge steel with a durable powder coat paint finish, and a replaceable high impact plastic door plate. This design ensures that the Qwikchute will perform for many mowing seasons.

Compatible with: Ariens APEX & ZENTH with 48", 52", and 60" decks and Graveky ZTHD & PRO TURN Z, ZX, 100, 200, 400 2021 or older with 48", 52" & 60" decks
