Product Description

Qwikchute NQD-GZTX52-23

The Qwikchute was designed and built to achieve three goals: **Greater Choices, Increased Profits, and Improved Safety.**

Mechanically operated with no electrical wiring or motors, constructed of heavy gauge steel with a durable powder coat paint finish, and a replaceable high impact plastic door plate. This design ensures that the Qwikchute will perform for many mowing seasons.

Compatible with: Ariens IKON 2023 and newer with 42", 48", 52", & 60" Envy deck, and Gravely ZTX & ZTXL 42", 48" & 52" X-Factor decks 2023 and newer
