Product Description

Qwikchute NQD-G600

The Qwikchute was designed and built to achieve three goals: **Greater Choices, Increased Profits, and Improved Safety.**

Mechanically operated with no electrical wiring or motors, constructed of heavy gauge steel with a durable powder coat paint finish, and a replaceable high impact plastic door plate. This design ensures that the Qwikchute will perform for many mowing seasons.

Compatible with: Gravely PRO TURN 600 2021 and newer 52", 60" & 72"; PRO TURN, ZTHD & ZT 2022 and newer WITH 48", 52" 60" 72" X FACTOR 3 decks
